With unlimited coverage at the bride's house for pre-wedding photographs. With unlimited coverage at the bride's house for pre-wedding photographs. Photographs will be taken inside the church, at the exchanging of rings, signing of the register, walking down the aisle (depending on the minister). After the service, formal and informal photographs will be taken outside of the church/registry office. These photographs can range from portraits to the complete assembly of guests, confetti shower and bridal car photographs. We will then join you at the reception to take further photographs and we finish after speeches and the cutting of the cake. All photographs taken will be presented in a preview album for you to keep and select your final images.

We can provide our Mobile Studio at your evening reception free of charge, take photographs of you and your guests having fun. The Photographs cost £10 and will be available to take home on the night. Please make sure you inform your venue that I will require 6ftx6ft of studio space with access to electric points.
