Silver Package

This package offers a wider selection of photographs.

Photographs will be taken inside the church, at the exchanging of rings, signing of the register, walking down the aisle (depending on the minister).

After the service, formal and informal photographs will be taken outside of the church/registry office.

These photographs can range from portraits to the complete assembly of guests, confetti shower and bridal car photographs.

We will then join you at the reception to take further photographs and finish with the cutting of the cake.

All photographs taken will be presented in a preview album for you to keep and select your final images.
